

## REFERENCE LIST

### The Model of Health and Wellbeing Works! *Here's how we know.*

---

---

#### Our Benchmark: The Model of Health and Wellbeing

Alliance for Healthier Communities (n.d.). *Model of Health and Wellbeing*. Retrieved April 13, 2022 from <https://www.allianceon.org/model-health-and-wellbeing>.

Rayner, J., Muldoon, L., Bayoumi, I., McMurchy, D., Mulligan, K., & Tharao, W. (2018). Delivering primary health care as envisioned: A model of health and well-being guiding community-governed primary care organizations. *Journal of Integrated Care*, 26(3). <https://doi.org/10.1108/JICA-02-2018-0014>

#### Measuring our Impact

Rayner, J., Khan, T., Chan, C., & Wu, C. (2020). Illustrating the patient journey through the care continuum: Leveraging structured primary care electronic medical record (EMR) data in Ontario, Canada using chronic obstructive pulmonary disease as a case study. *International Journal of Medical Informatics*, 140. <https://doi.org/10.1016/j.ijmedinf.2020.104159>

Canadian Institute for Health Information. (2020). *Patterns of Community Care for Mental Health and Addictions: Insights from Community Health Centre EMR Data*. CIHI. Retrieved April 13, 2022 from <https://www.allianceon.org/research/Patterns-Community-Care-Mental-Health-and-Addictions-Insights-Community-Health-Centre-EMR>

**The evidence is in: better health outcomes, lower system costs, and positive experiences for clients and providers.**

#### Our members make it easier to access preventive care.

Association of Ontario Health Centres. (2015). *Cancer screening: How Ontario's Community Health Centres achieve results*. Alliance for Healthier Communities. Retrieved April 13, 2022 from <https://www.allianceon.org/research/Cancer-screening-How-Ontario%E2%80%99s-Community-Health-Centres-achieve-results>

Sayani, A., Vahabi, M., O'Brien, M. A., Liu, G., Hwang, S., Selby, P., Nicholson, E., & Lofters, A. (January 7, 2021). Perspectives of family physicians towards access to lung cancer screening for individuals living with low income – a qualitative study. *BMC Family Practice* 22(10). <https://doi.org/10.1186/s12875-020-01354-z>

Alamgir, A., Usmani, S., Bhuiyan, S., & Janczur, A. (February 27, 2021). Structuring a Communication Framework to Address the Challenges of Vulnerable Communities for Building Trust and Ensuring Access to Emergency Health Messages for Compliance during COVID-19. *EC Emergency Medicine and Critical Care* 5(3), 07-16. <https://eicon.com/ecec/pdf/ECEC-05-00409.pdf>

### **CHCs are experts at managing chronic conditions.**

Costanian, C., Dahrouge, S., Howard, M., Johnston, S., Tranmer, J., Heale, R., Agarwal, G., Brown, J., Glazier, R., Green, M., Muldoon, L., Rayner, J., Mulder, C., & Belsito, L. (2019, June 5). *The Relationship between Primary Care Practice Organizational Characteristics and Chronic Disease Prevention and Management* [Poster Session]. Trillium Primary Care Research Day, Toronto, Ontario, Canada. Retrieved April 13, 2022 from <https://www.allianceon.org/research/Relationship-between-Primary-Care-Practice-Organizational-Characteristics-and-Chronic>.

### **CHCs are helping to keep the health system sustainable.**

Glazier, R., Zagorski, B. M., & Rayner, J. (2012). *Comparison of Primary Care Models in Ontario by Demographics, Case Mix, and Emergency Department Use, 2009/09 to 2009/10*. Institute for Clinical Evaluative Sciences. <https://www.ices.on.ca/~media/Files/Atlases-Reports/2012/Comparison-of-primary-care-models-in-Ontario/Full-report.ashx>

Bhuiya, A. R., Scallan, E., Alam, S., Sharma, K., & Wilson, M. G. (October 23, 2020). *Rapid Synthesis: Identifying the Features and Impacts of Community Health Centres*. McMaster Health Forum. [https://www.mcmasterforum.org/docs/default-source/product-documents/rapid-responses/identifying-the-features-and-impacts-of-community-health-centres.pdf?sfvrsn=234559d5\\_2](https://www.mcmasterforum.org/docs/default-source/product-documents/rapid-responses/identifying-the-features-and-impacts-of-community-health-centres.pdf?sfvrsn=234559d5_2)

### **CHCs are building communities and fostering a sense of belonging.**

Alliance for Healthier Communities. (n.d.) *Social Prescribing*. Retrieved April 13, 2022, from <https://www.allianceon.org/Social-Prescribing>

Mulligan, K., Hsiung, S., Bhatti, S., Rehel, J., & Rayner, J. (March, 2020). *Rx: Community – Social Prescribing in Ontario, Final Report*. Alliance for Healthier Communities.
